All meets are primarily local and are mainly hosted on the South or North side of Houston.

We do, however, try to travel to one regular season out of town meet (i.e Austin, San Antonio, Baton Rouge or Dallas) at least once a season to see different set of competition. The meet usually requires a 1-2 overnight stay.

The only other for sure travel trip is to the AAU Junior Olympics. The 2022 AAU Junior Olympic Games will be held in Greensboro, NC.

What if my athlete can't make every practice or meet due to another sport/activity?

We fully understand that athletes today participate in multiple sports/activities and at times there are scheduling conflicts. Yes, they can miss some practices and/or meets, if necessary. Please speak with a coach to get the specifics and create a schedule for them.
